Areas of Strength: (These are practices you should continue doing)

-Your submission was very strong,
-You have just hit all points and answers correctly, it looks like it was a very successful checkpoint and subtopic for you.
You understand the product vision very well.
-The product vision statement is very compelling and is definitely a good choice.
-The identified customer need is interesting and worth building a product strategy around.

Areas of Improvement: (These are practices you should start doing)

-Strategies should be more high-level, without any reference to features. The prioritized feature list that is required in this checkpoint is only a miniature version of the road map you should be deriving from your strategy.

Additional Comments:

Overall , it's a good presentation.
